## **Format of Play 2010**

**Round Robin** with flights based on **Skill Level**.

**Flight 1 4.0+**

**Flight 2 3.5**

**Flight 3 3.0**

**Flight 4 Novice**

My goal is for each person to play the same number of games. Seeding will be done by the director, who will establish skill levels as equal as possible in flight teams. The number of flights and teams in a flight will be determined after all entries are received.

In Round Robin, we could play 2 games to 11 win by 1, or 2 games to 15 win by 1 with winner determined by total points. This format will be decided after all entries are received.

NOTE: Modification of format of play may be necessary. The changes will be made by the tournament director.
