

Pickleball Lyrics by Betty Jones

Sing to the Oliver tune: "Oom Pah Pah"

*Pickleball, Pickleball That's how it goes
Pickleball, Pickleball. Everyone knows.
They all grab their paddles and then off they go.
When they hear PICKLEBALL!*

Here's a little ditty they're singing in the city
Especially when they've been on the gin or the beer.
It's about a game that is gaining great fame.
You'll want to sing along with us, when once you hear:

*Pickleball, Pickleball That's how it goes
Pickleball, Pickleball. Everyone knows.
They all grab their paddles and then off they go.
When they hear PICKLEBALL!*

IF you've got the patience, your own determination
will lead you to a game that you will hold dear
So come join this sport OPC has courts
Come and play PICKLEBALL

*Pickleball, Pickleball That's how it goes
Pickleball, Pickleball. Everyone knows.
They all grab their paddles and then off they go.
When they hear PICKLEBALL!*

I'm happy to report that is really is a sport
that the older population can play with some skill
It really is a riot. I think you'll want to try it.
There are lots of friends to play with especially this year.

*Pickleball, Pickleball That's how it goes
Pickleball, Pickleball. Everyone knows.
They all grab their paddles and then off they go.
When they hear PICKLEBALL!*

Here's a little ditty they're singing in the city
Especially when they've been on the gin or the beer.
It's about a game that is gaining great fame.
