

Pickleball Skills Drills

(Registration opens at 12:30pm). Be on court at 1:00pm sharp Friday for fast-paced skills drills. Every 7 minutes, the horn will sound and you'll move to the next court for another challenging session. We'll take a short break midway through, and then re-group for Crazy Mixed Up Doubles.

CRAZY MIXED UP DOUBLES!

How's your PPM (Points Per Minute)?

We start with a burst of 10-minute court times. You'll be paired with random partners and track your individual points for each round. There's no telling who your partner may be! Practice your skills drills while you "Clown Around on Court". Every point counts toward some Crazy Mixed Up Prizes!
