Proudly sponsored by the Mellow Mushroom

The North Myrtle Beach Parks and Recreation Department will be hosting its fourth men’s and women’s indoor pickleball tournament at the J. Bryan Floyd Community Center, 1030 Possum Trot Road, North Myrtle Beach, SC, on Friday, April 15 and Saturday, April 16, 2016.

On Friday, Men’s and Women’s teams will be divided into pools based upon gender, age and similar skill level for round robin pool play. Each team will play at least three matches. On Saturday the records of the teams from Friday pool play will be used to seed teams in Divisions based upon gender, age and similar skill level for double elimination tournaments. Awards will be given to first and second place finishers in all Divisions.

Registration is open to anyone 19 years or older by December 31, 2016. The skill level of the team will be determined by the player with the highest skill level. The team’s age will be determined by the age of the youngest player. USAPA Rules will apply. Referees will be provided for championship matches, only.

This tournament format has proven to be very popular with players. In each of the previous tournaments, teams have played four matches in pool play comprised of two games to 11 points. This format provides significantly more play than a double elimination tournament.

Registration for the last tournament closed five weeks early because we reached our player limit. Accordingly, we strongly suggest that you register early and save $5.00 on your entry fee to guarantee your team a spot!
